

THE ACORN

PARK VILLAGE HEALTH CARE CENTER

FROM THE DESK OF...

Tom O'Donnell, Director of Operations

Summer is FINALLY here!!! After much anticipation, warmer weather and longer days are upon us and we are taking full advantage here at Park Village! We encourage you to come and spend time with your loved one looking out the windows at the beautiful scenery, or even taking a walk around the campus or sitting in one of our many outside seating areas. We also encourage you to take a close look at our Activity calendars as there are some fun summertime activities planned for the months ahead – the more the merrier!

As the weather has changed, so have some of the staff! We are pleased to announce the addition of Vanessa Meuhlen, Dietary Manager and Jeff Dalpiaz, Director of Human Resources. Both are excited to be here and offer fresh new ideas to help achieve our goal of offering high quality care and a great work environment! We are excited to have both of them join our team!

We are also pleased to announce that plans are moving forward at our New Phila site! While the rain has dampened progress slightly, we are

continuing to move dirt and have started some of the construction! More updates to come!

And finally, while I know that summer has just begun, we all know that fall will be here before we know it. I encourage you to make note on your calendars now for our Family Picnic – **Sunday, September 13th**. This is always a great time for good food and fellowship. More details to follow! But for now, we hope that everyone has a safe and fun summer!

Those we love don't go away,
They walk beside us every day...
Unseen, unheard, but always near,
Still loved, still missed, and
Very dear.

Looking Ahead...

With all of the warm weather (we hope) coming our way, we will cool things off in July by celebrating “Christmas in July!” We will be enjoying one of the best times of the year with some holiday music and games. One of the best parts of the Christmas season is spending time with those you love! So, we encourage you try and make some time to enjoy the festivities with your loved one, even if it is just a fun activity!

In August, we will continue the enjoyable monthly cookouts and cool treats, but will be having a special celebration as well! We will be hosting a luau for all to enjoy! Please feel free to dress in Hawaiian themed outfits and join your loved one for staycation in the islands!

September brings a great deal of family fun!!! We acknowledge a great time of year by celebrating with fair related foods and activities! We will also be hosting our annual Family Picnic on September 13th... watch for more details as we get closer to the event. For those of you who have not been, we have tents, food, and entertainment – enjoyed by residents and family members of all ages – the staff too!

As was previously mentioned, we will be doing some special activities throughout the summer months, including cookouts and various cool treats! You are always welcome to join your loved ones for any of this special fun! Take the time to check the calendar for anything that they may particularly enjoy! Also, do not hesitate to offer suggestions for additional activities... we are always looking for new ways to help our residents enjoy their time here at Park Village!
